Faculty Coordinators	1. Dr. TapanNahar, Asst. Professor and Student Research Coordinator, ICT 2. Prof. Vijay Dubey, Asst. Professor, ICT
Total No. of Students	94

Objective:

The Scientific Research Writing Workshop is aimed at providing valuable insights and practical knowledge to both students and faculty members on various aspects of scientific research writing. This workshop will cover essential topics related to research paper writing, citation management using Mendeley, LaTeX usage, journal finding and indexing, and the significance of research outcomes in the academic world.

Competition Agenda:

01:00 PM - 01:30 PM: Welcome

01:30 PM - 01:45 PM: Objective of Workshop by Prof. Vijay Dubey, Asst. Professor, ICT

01:45 PM – 2:45 PM: Review Paper Writing and Mendeley Use by Dr. TapanNahar, Asst. Professor, ICT

2:45 PM - 3:15 PM: LaTeX Usage in Scientific Writing by Prof. TusharRathod, Asst. Professor, ICT

3:15 PM –3:45 PM: Journal Finding and Journal Indexing by Dr. Sunil Lavadiya, Asso. Professor, ICT

3:45 PM - 04:10 PM: Research Outcomes and Importance in Academics by Prof. ChandrasinhParmar, Head and Asso. Professor, ICT

Execution:

The Scientific Research Writing Workshop was organized with the primary objective of imparting valuable insights and practical knowledge to both students and faculty members interested in enhancing their scientific research writing skills. Throughout the workshop, participants delved into essential topics such as research paper composition, efficient citation management utilizing tools like Mendeley, the

application of LaTeX for document structuring, strategies for identifying suitable journals for publication, and the pivotal role of research outcomes within the academic realm.

The event commenced with Prof. Vijay Dubey, Assistant Professor at ICT, who succinctly outlined the workshop's objectives, setting the stage for what attendees could anticipate learning and achieving.

Dr. TapanNahar, Assistant Professor at ICT, illuminated the intricacies of crafting review papers and provided practical guidance on harnessing the potential of Mendeley for citation management.

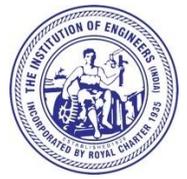

Prof. TusharRathod's presentation focused on the merits of LaTeX, offering attendees a comprehensive understanding of how this typesetting system can be effectively employed to create well-structured and professionally formatted scientific documents.

Dr. Sunil Lavadiya, an Associate Professor at ICT, delved into the strategies for locating reputable journals for research publication and emphasized the critical importance of journal indexing in academic recognition.

Concluding the workshop on a high note, Prof. ChandrasinhParmar, Head and Associate Professor at ICT, underscored the profound significance of research outcomes within the academic domain, shedding light on their substantial impact on academic careers. Collectively, these sessions equipped participants with a holistic understanding of scientific research writing, from the inception of research ideas to their ultimate dissemination in reputable academic journals.

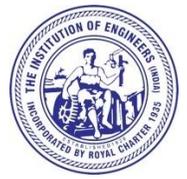

Learning Outcome:

- Participants will acquire enhanced research writing skills, enabling them to craft clear and impactful research papers.
- Attendees will efficiently utilize Mendeley for reference management and citation, streamlining their writing process.
- Proficiency in LaTeX will empower participants to create well-structured research documents.
- Workshop attendees will gain expertise in selecting reputable journals and understanding journal indexing.
- The workshop will foster increased confidence, networking opportunities, and a commitment to producing high-quality research contributions.
